

PARTNERSHIPS CERTIFICATE – DENTAL HYGIENE

CIP 51.0602

In addition to high school graduation requirements, students must satisfy the following to receive the Partnerships certificate and qualify for articulation with Lake Land College. Courses below should be a full year with the exception of Health.

LAKE LAND COLLEGE ARTICULATION

Students who have completed the articulated course sequence and the regional-based Health Occupations with a grade of “B” or above and have an overall “B” high school average are eligible for preferred selection for Dental Hygiene at Lake Land College.

Qualified students:

- Will be waived from BIO-Science (BIO 100)— 4 credit hours.
- Get preferred program admission (if all requirements from PCCS Track for Dental Hygiene are met).
