MAJOR COURSE SEGMENT	HOURS	LEARNING OUTCOMES
		<i>The student will be able to:</i>
Employment Opportunities and Readiness	20	Discover multiple careers associated with truck driving and why a commercial drivers license is needed for employment readiness, including job market trends, development of a resume, interview skills, job searches, work ethics and the impact of life choices on driving careers, and job retention skills.
Practical Living in Driving	15	Discover strategies for effective practical living, including the use of community resources, time management and planning, money management, basic physical wellness, techniques for staying healthy including drug and alcohol abuse and the effects on a professional drivers career.
Personal Core Values	10	Identify personal core values and how they relate to careers in driving, including self-discipline, responsibility, moral reasoning, goal-setting, overcoming rejection, intra- and interpersonal relationships, and conflict resolution.
<b>45</b>		

COURSE OUTCOMES*	At the successful completion of this course, students will be able to:
Develop effective interview skills needed to further a person's driving career and make them an attractive candidate for employment as a professional driver.	
Identify the life skills needed by industries requiring a CDL for operation, and the requirements associated with the operation and non-operation of a CMV.	
Learn effective resume, job application, money management, and communication skills to pursue a successful driving career.	

\* Course Outcomes will be used in the Assessment Software for Outcomes Assessment. Limit to 3 - 5.

This information will not be included in the Public Facing Course Information Form. For internal coding only.
