## (AAS.ACC) ASSOCIATE IN APPLIED SCIENCE DEGREE

The Accounting program prepares students for entry-level positions in the accounting field. The graduate can become a general accountant for a small business or choose a specialized area in a large company such as a clerical position in accounts receivable, accounts payable, or payroll. Employment opportunities exist in small businesses, large businesses, public accounting firms, industry, not-for-profit organizations and governmental agencies.

Program requirements may change over time. Specific degree/graduation requirements are determined by a degree audit.
