

# ENVIRONMENTAL SCIENCE

## (AS. ENSC) ASSOCIATE IN SCIENCE DEGREE

This is a sample list of major requirements. Upon completion of this course sequence, environmental science students will receive an associate in science degree.

The associate in science degree requires the completion of 64 credit hours. The sample course sequence below includes the required 64 credit hours plus additional courses recommended for this major.

Consult a counselor or academic advisor before registering. University requirements vary by institution.

Specific graduation requirements are identified through degree audit. Additional developmental courses in math, reading and English may be required based on placement scores.
