

PRE-PHARMACY

(AS.PPHM) ASSOCIATE IN SCIENCE DEGREE

The following courses are recommended for Pre-Pharmacy students. Upon completion of this course sequence, pre-pharmacy students will receive an associate in science degree.

Consult a counselor or academic advisor before registering. University requirements vary by institution.

The associate in science degree requires the completion of 64 credit hours. The sample course sequence below includes the required 64 credit hours plus additional courses recommended for this major.

Specific graduation requirements are identified through degree audit. Additional developmental courses in math, reading and English may be required based on placement scores.
