

# ESTHETICS

## (CRT.ESTH) CERTIFICATE

The Esthetics program meets the Illinois Department of Professional Regulation standard requirements pertaining to faculty qualifications, equipment, facilities, course content and contact hours. Entrance into the Esthetics program is fall semester only following a screening process. A total of 750 consecutive hours is required for completion of the program. In addition to tuition and service fees, Esthetic students will purchase uniforms, an esthetics kit and workbooks. To secure a state license as an esthetician, each student is required to take a written Illinois state board examination upon completion of the curriculum.

Program requirements may change over time. Specific degree/graduation requirements are determined by a degree audit.
