¹Enrollment for LLC's District includes only portions of four district high schools and the portion of students served is reflected in the enrollment presented in the table. LLC's district includes only one-fifth of Newton's students and one-half of North Clay, Shiloh, and South Central's students.

²College readiness is the percentage of students scoring at least a 21 composite on the ACT. These students are classified as ready for college coursework.

³Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-

¹Enrollment for LLC's District includes only portions of four district high schools and the portion of students served is reflected in the enrollment presented in the table. LLC's district includes only one-fifth of Newton's students and one-half of North Clay, Shiloh, and South Central's students.

²Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

¹Enrollment for LLC's District includes only portions of four district high schools and the portion of students served is reflected in the enrollment presented in the table. LLC's district includes only one-fifth of Newton's students and one-half of North Clay, Shiloh, and South Central's students.

²College readiness is the percentage of students scoring at least a 21 composite on the ACT. These students are classified as ready for college coursework.

³Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.
