

LAKE LAND COLLEGE

FEDERAL FUNDING INFORMATION

Lake Land is a community college that serves nearly 8,000 students a year through transfer, career ready, technical, trades and non-credit continuing education programs. Lake Land serves a nearly 4,000 square mile district encompassing 53 communities and 31 public school districts. In addition, Lake Land provides educational programs to 23 adult correctional and one juvenile center throughout the state. Lake Land has been named in the top 150 community colleges in the nation

seven times by the Aspen Institute, and has been recognized in the top 100 community colleges nationwide for completion rates by CNN Money. Students are able to choose from more than 150 majors, with enrollment split between Career and Technical Ready and Transfer Ready programs.

STUDENT SUCCESS

- ♦ Lake Land College graduates who transfer to state universities earn grades that are higher than those who start at the same university as freshmen.

- ♦ Graduates of Lake Land College are estimated to receive a return on investment of nearly \$550,000 over a 40-year working life compared to someone not attending community college.

COMMUNITY COMMITMENT

- ♦ Almost 500 full-time and part-time staff live in the Lake Land College district, contributing to the local communities and economies.
