

Reimbursement for Expenses

It is important and necessary for the welfare and governance of the College that members of the Board of Trustees engage in educational and development opportunities as well as serving as advocates for community colleges on local, state and national levels. The Board of Trustees, however, recognizes that there must be a balance in meeting this need and the need for fiscal responsibility. On an annual basis, the Board of Trustees should determine the priorities for representational needs of the institution and the level of funding available for expenses incurred in these activities.

Members of the Board of Trustees shall serve without compensation but shall be reimbursed for their reasonable expenses incurred in connection with their service as members as outlined in Board Policies 10.34 and 10.34.04.
