

## **Credit for Professional Certification and Licensure**

Lake Land College may award credit to students seeking advanced education in an academic program for which the student currently holds professional certification or licensure through the State of Illinois. Specific credit to be awarded is determined by the academic department in which the program of study is offered and approved by the Vice President for Academic Services.

The following provisions apply:

1. Students must submit a copy of their current certification or licensure to the Admissions and Records Office.
2. Credit will be awarded according to the pre-approved equivalencies established by the academic department and published in the college catalog.
3. Credit will be granted without a grade, but it may be used to fulfill graduation requirements. (See Board Policy 07.24 Graduation Requirements.)
4. Credit will not be used to calculate grade point averages.
5. No tuition or fees will be charged for professional certification or licensure credit.
6. Students should be aware that professional certification or licensure credit may not be accepted by another college or university.
