

Use of College Vehicles

College-owned and College-rented vehicles are available to provide authorized transportation for College personnel and students. Unless specifically assigned to a particular Division, the office of the Vice President for Business Services is responsible for the maintenance, upkeep, and scheduling of College-owned vehicles and also for the renting of vans and vehicles to supplement the use of College-owned vehicles.

Requests for vehicles, with the proper authorization, shall be made by the appropriate supervisor.

If travel is within the state, cost center budgets will be charged the greater of the cost of renting the vehicle or the authorized mileage rate. For out-of-state travel, the cost center will be charged the authorized mileage rate.

For vehicles not already assigned to a specific department, vehicle keys and the trip ticket must be picked up at the office of the Director of Physical Plant Operations. The driver of College-owned or College-rented vehicles must have in his/her possession a valid Illinois driver's license.

Any personnel operating a College-owned or College-rented vehicle are not permitted to use tobacco products in the vehicle. All personnel operating a College-owned or College-rented vehicle or while using their own vehicle for business use will adhere to all state and local laws, including but not limited to cell phone/distracted/impaired driving laws, licensing laws, and speed limit laws.

All personnel operating a College vehicle are subject to annual MVR background checks.
