WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics, and other workers employed in any public works by the state, county, city or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, codified as amended, 820 ILCS 130/1 et seq. (1993), formerly Ill. Rev. Stat., Ch. 48, par. 39s-1 et seq. and

WHEREAS, the aforesaid Act requires that the Board of Trustees of Community College District #517, Counties of Coles, Christian, Clark, Clay, Crawford, Cumberland, Douglas, Edgar, Effingham, Fayette, Jasper, Macon, Montgomery, Moultrie and Shelby and State of Illinois, (known as Lake Land College, 5001 Lake Land Boulevard, Mattoon, Illinois, 61938), investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said Lake Land College employed in performing construction of public works for said Community College.

NOW, THEREFORE, BE IT RESOLVED by said Board of Trustees of Community College District #517, that:

Section 1. To the extent and as required by "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the state, county, city or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in the construction of public works coming under the jurisdiction of this Board of Trustees of said Community College District #517 is hereby ascertained to be the same as the prevailing rate of wages for construction work in the Coles County area as determined by the Department of Labor of the State of Illinois as of June 5, 2017, a copy of that determination being incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's

Section 2. Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of this Board of Trustees to the extent required by the aforesaid Act.

Section 3. The Secretary of the Board of Trustees shall publicly post or keep available for inspection by any interested party in the main office of this Community College this determination or any revisions of such prevailing rate of wage. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

Section 4. The Secretary of this Board of Trustees shall mail a copy of this determination to any employer, and to any association of employers, and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

Section 5. The Secretary of this Board of Trustees shall promptly file a certified copy of this Resolution with both the Secretary of State Index Division and the Department of Labor of the State of Illinois.

This schedule contains the prevailing wage rates required to be paid for work performed on or after Monday, June 5, 2017 on public works projects in this County. Pursuant to 820 ILCS 130/4, public bodies in this County that have active public works projects are responsible for notifying all contractors and subcontractors working on those public works projects of the change (if any) to rates that were previously in effect. The failure of a public body to provide such notice does not relieve contractors or subcontractors of their obligations under the Prevailing Wage Act, including the duty to pay the relevant prevailing wage in effect at the time work subject to the Act is performed.

Explanations

COLES COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given

local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.
