### **DESCRIPTION OF ACCOMMODATIONS**

	☐ <u>Audiobooks</u> : Audiobooks will be provided online through an off-campus company that specializes in this service. Students will receive a username and password to access learningally.org. This website will allow students to download audiobooks to a personal computer, on-campus computer or smartphone app.
	Note Takers: If a student can take notes, but not regularly, it is the responsibility of the student to provide his own note taker. If a student cannot take notes due to a physical disability, the Office of Student Accommodations will work with the student to find a note taker. Students should always ask their instructor for assistance as well as the Office of Student Accommodations, if needed.
	Extended Time for Testing: Students can receive time-and-a-half on exams and may take them at the Tutoring & Testing Center in Webb Hall. Students must first request that the test be sent to the Tutoring & Testing Center one week in advance before the test; set up an appointment to take the exam in the Tutoring & Testing Center; and then take the exam on the scheduled date. Extended time for online exams will be arranged between the instructor and student or Student Accommodations Coordinator.
	☐ <u>Tape Recorder for Class Lectures</u> : Students may borrow tape recorders from the AV department in the Library for the semester. Students may also use their phones to record class lectures.
	Scribe: Students can utilize scribes to transfer verbal answers to written form on exams and/or other class assignments.
	□ <u>Large Print Materials</u> : Students can utilize enlarged textbooks/materials if they are requested at least six weeks before the beginning of each term. Assignments, quizzes, exams, etc. will be enlarged as needed by the Counselor/Coordinator of Student Accommodations and instructor as requested by the student.
	☐ <u>Braille Materials</u> : Students can utilize Braille materials if they are requested at least six weeks before the beginning of each term.
	□ <u>Sign Language Interpreter</u> : Students can utilize sign language interpreters if they are requested at least six weeks before the beginning of each term.
	Accessible Seating: Students can request specific seating arrangements as deemed necessary.
	Test Reader: Test readers read the test exactly as written. Test readers do not rephrase or explain test content. This service is set up and provided by the Tutoring & Testing Center and should be requested when the student schedules the appointment to take a test. It can also be used during placement testing before enrolling at Lake Land College.
	☐ <u>Tutoring</u> : All students can take advantage of free tutoring and access to assistive technology in the Tutoring & Testing Center. It is the student's responsibility to contact the Tutoring & Testing Center to arrange tutoring.
