Notes: *Prerequisites

If student has received a D in any courses listed above you must check with your transfer institution to determine if credit will be given.

Student may skip College Algebra if ACT, SAT or placement allows. At least one science course must be a 4 credit hour lab course.

For students applying to Illinois State University with 24 or more earned college credit hours, the transfer GPA and courses taken will be used to make an admission decision. For students applying to Illinois State University with less than 24 college credit hours, ISU will consider high school GPA and ACT/SAT scores (in addition to the transfer GPA and courses taken) to make an admission decision. Students who plan to transfer to ISU without an A.A. degree will need to be very careful in selecting courses at Lake Land College that will satisfy Illinois Articulation Initiative. See your advisor.

Certain prerequisite coursework is required for admission depending on the number of hours a student transfers to Illinois State. Please see the Office Admissions website for more information at www.IllinoisState.edu/transfer.
