Notes: *Prerequisites

- If student has received a D in any course listed above you must check with your transfer institution to determine if credit will be given.
- Majors in the College of Business at NIU include: Accountancy, Business Administration, Finance, Management, Marketing, and Operations and Information Management. Minors include: Business Innovation and Entrepreneurship, Finance, and Marketing. A variety of undergraduate certificates are also offered.
- This model program assumes the Lake Land College Business Administration majors while in high school have completed two years in the same foreign language with a grade of C or better. Foreign Language in college is not required for admission or graduation from the College of Business if a student has at least 24 college hours completed when they transfer. Students who have not satisfied this requirement will be required to complete six semester hours of college credit in the same foreign language with a grade of C or better. These hours may be completed at Lake Land College or at the transfer institution.
- Students who plan to transfer to NIU without A.S. degrees will need to be very careful in selecting courses at Lake Land College that will satisfy the NIU general education requirements. See your advisor.
- Students may skip college algebra if ACT/SAT or placement allows.
