120
Coll. Lvl 20 - 59

Courses filled in GREEN satisfy the General Education Core Curriculum requirements and are IAI transfer courses.

The number in parenthesis after the course ID indicates the number of credit hours for the course. Math requirements for a specific major may vary from one institution to another. Please consult with an academic counselor or academic advisor to confirm the pathway that is applicable to your major and transfer institution. Co-requisite courses should be taken simultaneously with respective college level math course. See advisor for placement score eligibility.
