Notes:*Prerequisites

If student has received a D in any courses listed above you must check with your transfer institution to determine if credit will be given.

Other majors in the College of Business at U of I-S include: Accountancy; Operations Management; Information Systems, Entrepreneurship, Finance, Management- General or International Business; Marketing, Supply Chain Management, and Strategic Business Development

This model program assumes the Lake Land College Business Administration majors while in high school have completed three years in the same foreign language or complete through the second level of one foreign language in college prior to transfer to be eligible to apply.

Graduation requirement from Illinois is four years of one high school foreign language or through the fourth level (4 semesters) of one foreign language at the college level.

Students who plan to transfer to U of I without A.S. degrees will need to be very careful in selecting courses at Lake Land College that will satisfy the U of I general education requirements. See your advisor.

Students must have a minimum 3.0 cumulative GPA to be considered for admission. Admission is HIGHLY COMPETITIVE therefore a GPA well above 3.0 is recommended. The GPA range for the previous year's admitted class was a 3.8.

All prerequisites and requirements must be completed by the end of the spring semester prior to transferring for the following fall semester.
