

# CELEBRATING STUDENT SUCCESS

## KALLIE KOESTER, LAKER CLASS OF 2015

Kallie Koester graduated in 2015 from the Lake Land College Radio/TV program.

While on campus, Kallie was active in the Radio/TV program and also served as a Student Ambassador. After graduation, Kallie went onto Eastern Illinois University where she was frequently seen on WEIU-TV.

Recently, Kallie landed a job at Fox 5 KRBK in Springfield, Missouri as an anchor/reporter. Kallie said she thanks her educators and mentors throughout the years for her success.

Lisa Shumard-Shelton, Student Ambassador Advisor, had this to say about Kallie – “Upon my first meeting of Kallie, she informed me she was going to be a television personality. To see her go from this talented young student with a dream to a talented working adult reaching her goals is what all of us at Lake Land College are all about!”

Kallie is a wonderful example of what happens when Lakers chase their dreams and never stop working hard!
