#### NOTES: \*Prerequisites

The information is a guide and does not represent an official agreement. It is the student's responsibility to contact ISU for important information about admittance, application procedures, pre-admission testing and timeline for consideration.

Tips from ISU: At a minimum, in order to apply, students must have A+P 1 or Micro done by the end of the fall term in which they apply. Students should have as many of the prerequisites completed by the end of the fall term in which they apply to give the Admission Committee the most comprehensive assessment of them.
