## Double Click on the VMware Horizon Client:

	Click on the Menu:
C VMware Horizon Client	X
New Server	
viewportal.lakelandcol lege.edu	

## Select Configure VMware Blast:

		=		
0	Help	Ctrl+H		
	Support Information			
Ð	Software Updates			
	About VMware Horizon Client			
	Configure data sharing			
	Configure SSL			
	Configure VMware Blast			
	1. It where we have a state of the second stat			

Select the settings below for VMware Blast:

			ŝ	63
	Steven Prizon Client			
	🚳 VMware Blast	S VMware Blast		
	Q Real-Time Audio-Video	3		
	🖞 Sharing	Allow H. 264 Decoding		
7	⊙ Geolocation	Allow High Color Accuracy (reduces battery life and		
	A Shortcuts	performance)		
	🥌 Adobe Lab	Allow High Efficiency Video Decoding (HEVC)		
	ArcGIS Lab	Allow Blast connections to use operating system proxy set	tings	

## Uncheck these 4 boxes.

VMware Horizon Client		23
💩 VMware Blast	🛞 VMware Blast
