

Greenville University - Lake Land College Associate of Arts Degree--Business Transfer Program Guide - Business Management (Online and On Campus)

Completion of an Associate in Arts or Science degree at Lake Land College fulfills Greenville University's lower division general education requirements. Upon acceptance, students will need to fulfill program and university requirements at Greenville.

This "Transfer Program Guide" is an <u>example</u> of a proposed curriculum for students to use while completing their associate degree. Reading, writing and math placement could alter the course sequencing and transfer date. Therefore, students should begin sequencing their reading/writing (if applicable), math and science courses during the first semester, paying close attention to prerequisites. Students have the option of taking summer classes to lessen fall and spring course loads.

It is highly recommended that students meet with a LLC advisor each semester.

| First Semester | |
|-------------------------------------|---------|
| LLC Course | Credits |
| BUS 142 Intro to Business | 3 |
| ENG 120 Composition I | 3 |
| IAI Life Science‡ | 3 |
| MAT 130 College Algebra | 3 |
