WELCOME FROM THE PRESIDENT

Dear Colleague,

Welcome to the Lake Land College family!

Today, you join a unique team of individuals committed to our students, our values, and to each other. Our culture is driven by our vision to engage minds and change lives through the power of learning.

As you become familiar with your new role, I encourage you to think innovatively in your work and always put students at the forefront of your actions. Lake Land College is uniquely positioned to provide an outstanding educational experience to our students and communities through state-of-the-art programming and instruction, pioneering partnerships, and unparalleled service.

I am sure you learned in your interview that Lake Land College is a caring place for our students, as well as our employees. We celebrate our successes and help each other to overcome challenges. We value working together so much, we adapted a European word—teamship—as one of our values. I encourage you to get involved with a committee of interest or volunteer for one of our many community services projects or scholarship fundraisers.

Lake Land College is a thriving entity that offers endless potential for your professional and personal growth. Be patient your first year and take time to learn the many facets of the college community, as the work you do in the classroom often impacts others throughout the college. I encourage you to walk the halls of the college and take time to personally introduce yourself to your peers and staff members. Whether a faculty member or a staff member, you have an opportunity every day to change the life of a student, because the power of learning is yours to share.

This faculty handbook contains information about internal processes, as well as a variety of areas of the college. Students will undoubtedly turn to you with a variety of questions, and it is our hope that this handbook is a helpful resource in answering those questions.

Woven in our institutional fabric is a commitment to open communication. I look forward to getting to know you as we positively impact the lives of our students. Please feel free to contact me at any time!

Sincerely,

Dr. Josh Bullock, President

GENERAL INFORMATION

About Lake Land College

Lake Land College serves the second-largest community college district in the state of Illinois, with a total population of 196,300. The college district comprises all or part of 15 counties and 31 public school districts in rural East-Central Illinois. About the size of Connecticut, the district spans 3,961 square miles and predominantly depends on an agricultural and small manufacturing economic base.

Lake Land College was founded in the state of Illinois in 1966. Originally offering classes in temporary buildings to students from 13 area school districts, it now operates on a 317-acre main campus with 14 major buildings, in two extension centers, on the Internet, and at more than 25 other off-campus sites, including several correctional centers across the state of Illinois. The college currently offers over 100 technical degrees and certificate programs leading to immediate employment after graduation, and over 50 pre-baccalaureate college transfer programs.

Mission Statement

Lake Land College creates and continuously improves an affordable, accessible, and effective learning environment for the lifelong educational needs and economic development of the diverse communities we serve. Our college fulfills this mission through:

- · university transfer education
- workforce development
- · community and continuing education
- technical and career education
- intellectual and cultural programs.

In addition, Lake Land College offers and promotes student activities, career exploration and guidance, job location services, and special initiatives with area elementary and secondary schools. [Board Policy 01.03]

Expectations of Faculty

In addition to performing the essential functions of their assigned job description, full-time faculty members are expected to:

- Respond to student communication within one (1) college business day from Opening Day to Grade Due Date each term:
- Withdraw students, by 10th day, who have never attended or communicated;
- Provide students a course syllabus that includes, at a minimum, the required information according to the Syllabus Grid developed by the Syllabus Task Force and Academic Services;
- Conduct at least one (1) advising session per advisee per semester before clearing (online, telephone, face-to-face);
- Notify students of their current grades in classes at mid-term and at least one (1) week prior to the last day for withdrawal, at a minimum;
- Provide a course syllabus to students through Canvas or by email to the students' college email address at least one business day prior to the first day of the section; and
- Publish online and hybrid course information in Canvas by 8 AM on the first day of the course.

Additional information on these expectations may be found in Article II.H. of the LLCFA contract.

Academic Calendar

The Academic Calendar lists important dates for the year and is available on the S drive (S:\Calendars\Academic Calendars.) This information may also be found on the Laker Hub, online at www.lakelandcollege.edu/col/calendar/web/, and in the Catalog. [Board Policy 06.03]

College Closings

In the event of inclement weather, mechanical or power failure, or other emergencies that prevent or delay the opening of the college, every effort will be made to make announcements on radio and television stations by 6 a.m. for that day. Closings are also posted on the website. All employees receive text alerts and/or email messages regarding closings.

In some cases, Lake Land College will remain open when elementary and secondary schools are closed. Refer to <u>Board Policy 08.04</u> for more information on college closings. [

Committees, Task Forces, Review Boards

Information regarding College Committee assignments and activities is found on the S: Drive (S:\Committees\Standing Committees), (S:\Committees\Task Forces.) for the current academic year. These committees are updated annually.

Copying/Scanning

All-in-one machines are found in most buildings on campus. These machines require an access code unique to your program or division, and this code is obtained from your division chair or division assistant. When using the Print Shop for larger jobs, such as a course guide, orders must be placed via the Laker Print Digital Store Front. Consult your division assistant regarding this process. You will find the link for Laker Print on the Hub or at lakerprint.myprintdesk.net/DSF.

Copyright Law

The copyright law of the United States, (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purpose over "fair use," that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law. [Board Policy 05.14]

Eating, Drinking, and Smoking Policies

According to Board Policy 09.09:

Smoking and the use of tobacco products shall be prohibited on any property owned or operated by the college and in college vehicles. Failure to comply may result in a fine per state guidelines as posted on the Lake Land College Police Department website. State law provides an exception to this policy allowing use of tobacco products in personal vehicles more than fifteen (15) feet from any building entrance. Smoking shall mean the lighting or burning of any type of material or using electronic cigarettes. Tobacco products shall mean cigarette, cigar, pipe or tobacco in any form, including smokeless tobacco, which is any loose, cut, shredded, ground, powdered, compressed, or leaf tobacco that is intended to be placed in the mouth without being smoked. Smoke Free Illinois Act (PA 95-17) Smoke Free Campus Act (PA98-985)

<u>Board Policy 09.10</u> states: "Food and drink, with the exception of water in a sealable container, shall be prohibited in the theater, main level of the Learning Resource Center (library) and all college classrooms and labs."

Emergency Preparedness Plan

Located on the S: drive (S:\EMERGENCY\Emergency Operations Plan), this folder includes the most up-to-date procedures for staff, faculty, and students to follow in the event of a variety of emergencies. Please become familiar with these procedures, and a copy of the plan is located in each classroom. Additionally, all employees are encouraged to opt-in to receive emergency alerts via text and email through the Hub. [Board Policy Section 08]

Equal Employment Opportunity

Lake Land College does not discriminate based on race, color, national origin, sex, handicap, or age in admission or access to or in treatment or employment in college programs and/or activities. The Director of Human Resources (234-5210) is designated to coordinate compliance with nondiscrimination requirements contained in the implementing regulations of Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Age Discrimination Act of 1975. The Counselor/Coordinator of Student Accommodations (234-5259) is designated as the Section 504 Coordinator of the Rehabilitation Act of 1973.

[Board Policy 11.01]

Laker Hub

The Laker Hub is the comprehensive portal for all Lake Land College resources for staff and students. The login page is https://hub.lakelandcollege.edu/. The Instructor Resources webpage is accessible via the Hub under the Faculty sidebar heading.

Self-Service

Self-Service is where you manage student rosters and enter grades. It's accessible via the Laker Hub under the Faculty sidebar heading.

Keys

Any keys needed for on-campus classes should be checked out through your division chair.

Lost and Found

The Police Department (234-5066, non-emergency) should be notified of any lost or found items.

Mail

The Mailroom (234-5544) provides services for intercampus mail, USPS, Fed-Ex, UPS, and DHL. The Mailroom will also send out your personal mail as long as postage is included on the item. The Mailroom can also assist in the packaging of parcels. Check with your division assistant regarding where division mailboxes and mail pick up are located for your area.

Out-of-District Travel

Permission to travel out of Lake Land's district on college business is requested via the Lake Land College-Academic Services Travel form found on the S: drive (S:\Campus Forms\Academics\Academic Services Travel Form.) This form must be completed, with proper signatures and a purchase order number, and then submitted to the Vice President for Academic Services prior to the scheduled travel. Please consult with your division chair before beginning this process.

Faculty Employment Contracts

At the beginning of each academic year, an instructor will sign the Notice of Continued Employment for Tenured Faculty or for Non-Tenured Faculty. The contract is completed in duplicate and is signed by both the instructor and the president. The instructor keeps one copy of the contract and returns the original to Human Resources. These are typically mailed out in July.

Pay Information

Instructors are paid bi-weekly during the academic year. An official listing of pay dates is available on the S: drive (S:\Human Resources\Salary Information). During the summer, Human Resources will send a payroll election form to your primary residence (usually accompanies employment contract) for you to select your preferred time frame of paychecks (9 month, 10 month, 12 month). The payroll schedule indicates the pay dates for all time frame elections.

The following completed forms must be on file in Human Resources before an instructor receives a paycheck:

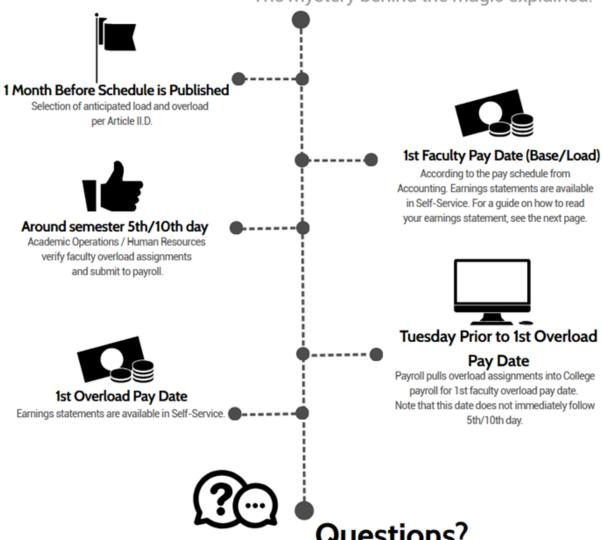

- Application
- I-9 with appropriate forms of identification
- · Policy and legal acknowledgments
- · Official college transcripts
- · Qualified Faculty Determination form
- W-4
- · Direct deposit form (if desired)
- SURS Retirement and Beneficiary form
- Vocational Teacher Work Experience Record (if required).

Instructors choosing not to use direct deposit option will receive their paychecks via U.S.P.S. mail to the home address of record.

The following guides may also be found at S:\Academics\Faculty Information and Resources.

Faculty Pay Life Cycle

The mystery behind the magic explained.

Possible errors in your pay advice? Ask your division chair for guidance, or contact Emily Ramage in Academic Operations.

		Total Gross Pay	\$#,###.##	\$ ##,###.##

Additional Pay: This line will indicate a number of hours and a zero dollar amount in the Year

To Date column. The numbers are irrelevant to faculty, so ignore this line.

Additional Pay - Stipend: This line may include payment from the prior Summer term, especially for faculty in

planned retirement.

Overload for FT Faculty: This line will indicate a number of hours and a zero dollar amount in the Year To

Date column. The numbers are irrelevant to faculty, so ignore this line.

Overload for FT Faculty - Stipend: This line may include any section split from load into overload, other full overload

sections, or advisee stipends.

Regular Earnings: Your base salary calculated across the time period selected in the Faculty Contract

Election form. The numbers in the Hours column are irrelevant to faculty.

This line may include Innovation funding, College Service Hours, and substitute

Stipends:

pay.

Fresh Start Wellness Benefit - Stipend: This instructor met all five health goals!

Everything beyond this top table includes your personal withholdings and banking information.

Please direct any questions about this guide to eramage@lakelandcollege.edu.

Updated 6/30

S:\Academics\Faculty Information and Resources\Earnings Statement Guide for Faculty

Name & Address Changes

Any changes in name or address are completed in the Laker Hub under the User Profile sidebar menu.

Teaching Load

During the academic year (fall and spring semesters), full-time faculty are required to teach 30 equated credit hours. Any hours earned in excess of 30 are considered overload.

Instructors are also expected to be on campus, or at a pre-approved location, for not less than 30 hours per week. A minimum of three hours per college day must be served on the campus or at a location approved by his/her division chair and the Vice President for Academic Services. Each instructor will also maintain at least five scheduled office hours per week for consultation with students. A schedule is to be posted on the faculty member's door and filed with Academic Services (S:\Campus Forms\Academics\Instructor Office Hours). Instructor office hours are also posted in Colleague so that they can be accessed on the Lake Land College website. The division assistant may direct this process.

Overload Pay

If an instructor earns more than 30 equated hours during the academic year, the additional load will be reflected on the FAC as overload pay. Refer to the current agreement between Lake Land College and the Faculty Association for the appropriate academic year overload rate.

If an instructor equates more than 15 hours in the fall, he/she can request an overload payment to be received during that semester; however, the instructor has the option of banking the overload hours to be paid during the following spring semester. The Overload Payment Agreement form found on the S: drive (S:\Campus Forms\Academics\OVL Payment Agreement) will need to be submitted at the time the overload request is made.

Purchase Orders/College Purchasing Card

Each division has a college purchasing card, which is managed by the division chair. Most purchases can be made using the purchasing card; however, if an approved expenditure is not made using the college purchasing card, a purchase order must be completed to cover the expense. *Please consult with your division chair before initiating any purchase*. The division assistant can help you with the division's purchasing card or purchase order requests.

Reservation of Classrooms/Conference Rooms

Occasionally, you might need to reserve a classroom, computer lab, or conference room for a class session, club or committee meeting. Please consult your division assistant for help.

Technical Assistance

Should you require technical assistance in your classrooms or office, contact the Information Systems and Services (ISS) Help Desk at 234-5261 or helpdesk@lakelandcollege.edu. You may also use the IT Help Desk Portal to submit an issue ticket.

Telephone Numbers

The phone list is updated after fall classes begin and is available online on the S: drive (S:\Campus Forms\Phone List). This folder includes all in-house phone numbers as well as departmental telephone numbers. A searchable Employee Directory is available on the website.

Telephone and Voice Mail Information

Information about using college telephones and voice mail can be obtained from your division assistant or in the S:\Campus Forms\Phone List folder.

Travel Expense Reimbursement

An important preparation of college-related travel is submitting a requisition to encumber funds to cover reimbursement for travel expenses. A Travel/Expense Reimbursement Voucher must be filled out when you are requesting an authorized reimbursement for travel and meal expenses. This form is found on the S: drive (S:\Campus Forms\Accounting\Travel Documents\Mileage Form) and is submitted once the activity has concluded. Please note that *detailed, itemized receipts* are required for any type of reimbursement. Your division assistant will help with this process, but please consult your division chair first.

Tuition Waivers

According to <u>Board Policy 05.23</u>, full-time employees, their spouses, civil union partners, and unmarried children under age 23 are eligible for a tuition waiver for credit courses offered by Lake Land College. Tuition waiver forms are found (S:\Campus Forms\Accounting\Tuition Waivers) or can be obtained from the Accounting office. Please refer to the current agreement between Lake Land College and the Faculty Association for more information.

Who to Contact

Your division chair and mentor are the two most important people to connect with when you have questions or concerns about instructional information. For any other non-instructional questions, contact the appropriate department or Academic Operations at eramage@lakelandcollege.edu or 217-234-5403.

INSTRUCTIONAL RESOURCES

Academic Freedom

Per Board Policy 06.01:

Lake Land College, in educating adults for full participation as citizens, has an obligation to encourage free discussion and inquiries in the pursuit of truth. Recognizing that only in this free exchange of ideas can the maximum potential of any educational entity be fully reached, the faculty and students are urged to study any and all issues and problems. Consistent with this belief, it is the policy of the College to maintain and encourage full freedom, within the law of inquiry, teaching and research. In the exercise of this freedom, the faculty member may, without limitation, discuss his/her own subject in the classroom; he/she may not, however, claim as his/her right the privilege of discussing in the classroom controversial matter which has no relation to the subject. In his/her role as a citizen and faculty member, he/she has the same freedom as other citizens. He/she should be mindful that in extramural utterance, he/she has an obligation to indicate that he/she is not an institutional spokesperson.

Academic Integrity

Lake Land College is committed to the fundamental values of preserving academic integrity as defined in <u>Poard Policy 07.28.02</u>. The policy also includes procedures you must follow should you witness or have evidence that academic dishonesty has occurred.

Artificial Intelligence in the Classroom

The use of AI in the classroom is guided by the Academic Integrity policy in the prior section. Suggested language for syllabi is included in the syllabus template and grid of content on the Instructor Resources webpage or at S:\Academics\Faculty Information and Resources\Syllabi Resources. Please also see https://lakeland.libguides.com/AI for information on AI.

Assessment

Assessment is the systematic measurement of student performance to improve the quality of educational programs and the institution. It allows us to make informed decisions that ultimately improve the teaching-learning process. Assessment is essentially what students should know, value, or be able to do upon the completion of a unit of study, course, program, and/or interaction with an institutional department at a particular point and time. In other words, "Are students learning? How do we know?"

Lake Land College uses both institution-wide measures, program and course-specific measures to assess student outcomes. Learner outcomes have been established for each of the college's associate degree and certificate programs, as well as all courses. The methods of measurement of the learner outcomes were designed by faculty to meet the specific needs of individual programs and courses. https://www.lakelandcollege.edu/assessment-and-curriculum/

Audio-Visual Equipment

Audio-visual equipment, such as laptops, tablets, LCD projectors, video cameras, digital cameras, and overhead projectors is available for use both on campus and off campus. VCRs and televisions are available on campus only. You may check out this equipment through Information Systems and Services (ISS) located in the basement of the Learning Resource Center (234-5268). A week's notice is recommended. [Board Policy 06.27]

Course Rosters

Rosters are accessed electronically through the Hub. Students will start appearing on rosters when preregistration starts. In the sidebar menu: Faculty >Rosters/Grading. Detailed instructions for accessing course rosters are found on the <u>Instructor Resources</u> page or at <u>Faculty Guide to Self Service</u>. You may want to bookmark both of these rather than downloading the files, because they're updated via the cloud at least annually.

During fall and spring semesters, students have the first two instructional days to add classes. They can drop a class and receive a refund through the first ten instructional days. After the 10th-day period, you will receive notification via your Lake Land email account to check your roster and compare it with the students who are attending your class. Summer, Mod, and Intersession add/drop/refund dates are on a different schedule. Please

ask students whose names do not appear on the roster to contact Admissions and Records. The student will appear on your roster once they are enrolled.

A "U" will appear in the grade column after 10th-day for any students who are auditing the course. Students who say they are auditing and no "U" appears are to contact Admissions and Records as soon as possible.

Instructors will receive notification via their Lake Land email account that it is time

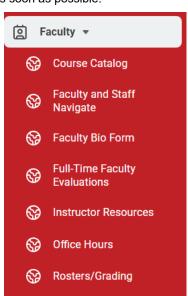

to complete midterm rosters.

Course Outlines/Syllabi

Course outlines are found on the S: drive (S:\Academics\Course Outlines) and are organized according to course prefixes. A syllabus template and information grid detailing faculty recommendations for minimum required syllabi information can be found in S:\Academics\Academic Forms and on the Instructor Resources page accessible from the Laker Hub.

Course Sharing

Newer faculty may be interested in aligning their online courses with those of more seasoned faculty, or they may be teaching an online course for the first time and want more guidance on content. While faculty are not obligated to share course content, ideally, a simple conversation is the best approach to this. If there is no one presently teaching that course to ask, there is a formal course sharing process for migrating course content at the administrative level. For more information on course sharing, visit S:\Academics\Academic Forms\Course Sharing Forms

Final Examination Period

The final examination period occurs during the last five days of fall and spring semesters and the last four days of summer term. The final examination schedule is printed in the class schedule each semester, found on the S drive (S:\Academics\Final Exam Schedule) and located on the college's website at www.lakelandcollege.edu/final-exam-schedule/. A final examination is part of the regular obligation for meeting course requirements. Per Board Policy 06.48, "Rescheduling of final examinations is not permitted without the permission of the vice president for academic services. Each class must meet at the time the final examination is scheduled."

Final Grading

According to Board Policy 07.18, "At the conclusion of each course, instructors shall submit an official grade for each student enrolled to the Academic Services Office within time limits established by the Vice President for Academic Services and Vice President for Student Services. Final grades are posted to each individual student's record at the end of the academic term in which the course was completed. Accurate grade records must be kept by each instructor for auditing and verification purposes. The final semester grades are determined by the instructors, according to the grades the student earns in all phases of course work, including class discussions, tests, daily work, laboratory work, reports, term papers, and the semester examinations. At the end of each semester, students may access their grades via Self-Service in the Laker Hub. Students may request a print copy of their grades from the Admissions and Records Office."

Forms

Most academic forms may be found in various website locations, and they are also available in the S:\Academics\Academic Forms folder.

I:\ Drive

Each faculty member has access to an instructional server by which documents can be shared with colleagues and students. Through the hiring paperwork process, ISS creates a folder for each instructor within the respective division's folder. Please note that students and employees also have access to this drive and its contents.

Instructor Absences

If you must be absent from class, contact your division chair and division assistant promptly. The division assistant will post a Class Dismissed Today Only form on the classroom door as well as post the notice in

Colleague so that it can be accessed online through the college's website. Upon return to campus, you must complete a Faculty Absence Report form (S:\Human Resources\Timesheets and Absence Form) signed by you, the division chair, and the Vice President for Academic Services.

If you know in advance that you will be unable to attend a scheduled class session, you must notify the division chair at least a week in advance whenever possible. For a discussion of Personal Leave, see the current Lake Land College Faculty Association Agreement (S:\Contracts\Faculty Contract).

Instructor Resources

An Instructor Resources webpage is available to all instructors at https://www.lakelandcollege.edu/instructor-resources/. Handbooks, teaching resources, syllabus template, and other helpful information is available from this site, which can also be accessed via the Laker Hub under Campus Links. If you have technical issues with the page or have suggestions for additional resources, please contact Emily Ramage, Dean of Academic Operations, at eramage@lakelandcollege.edu.

Learning Management System

Lake Land College provides every instructor access to the Canvas learning management system, even for face-to-face sections. Please refer to the <u>Canvas instructions</u> or call <u>Sue Nugent</u>, Online Support & Instructional Tech. Specialist (234-5571), or <u>Jessica Wohlschlaeger</u>, Instructional Designer (234-5273) for assistance. Sue provides Canvas training sessions every fall and spring semester. Dates and times of training sessions are available via Lake Land College email and posted in the Laker Low Down.

To learn about Canvas Faculty Commons, a collaborative, shared space for teaching and learning, visit lakeland.instructure.com/login/ldap.

Welcome to the

Faculty Commons

This faculty resource is a place for faculty to share resources and collaborate with each other about teaching and learning. Please note when you participate in this course, you will receive notifications about this course's activity. If you don't wish to participate in this course, please click the Drop this course button in the right sidebar to unenroll.

Library Resources

Located in the center of campus, the <u>library</u> has many resources to help you and your students! Your Laker ID is your library card. Use the search box on the library website to find millions of journal and newspaper articles or ebooks that you could link to in Canvas. Ask the librarian for a one-on-one session if you need a quick introduction to the resources available. The librarian is also available for library instruction on a variety of topics for your in-person or online classes. Feel free to place supplemental resources on our reserve shelves at the circulation desk or contact the librarian if you'd like to have books or ebooks purchased for the library. Learn more at the <u>For Instructors</u> library website or contact a librarian for guidance.

Midterm Verification

Midterm rosters must be verified before the end of the business day.

From the College Catalog:

Because the Illinois Community College Board requires instructors to certify the attendance of students at mid-term, an instructor may withdraw a student from class if the number of absences is detrimental to his/her ability to meet the course objectives. In case of prolonged absence because of illness, accident, or hospitalization, students must notify the College Health Services so that proper notification can be made to instructors. Student absences for the purpose of attending regular National Guard or military reserve unit activities, volunteer emergency worker duty, and jury duty will be considered excused absences upon submission of appropriate documentation to the course instructor.

Lake Land College will reasonably accommodate student absences for religious observances in accordance with the University Religious Observations Act (110 ILCS 110/1 and 110/1.5) in regards to admissions, class attendance and the scheduling of examinations and work requirements. Students faced with schedule conflicts related to religious observances should make prior arrangements with instructors at least ten (10) calendar days in advance of the examination or other activity involved. A

student who believes that he or she has been unreasonably denied an educational benefit due to his or her religious beliefs or practices may appeal the decision in accordance with the college's Student Concerns and Grievances Procedures.

Internship (INS-200) and Independent Study (INS-299) contracts are also due to the Vice President of Academic Services by mid-term of the appropriate semester.

Each semester, you will receive an email reminder via your Lake Land College email account about midterm verification. Students who are registered at mid-term, but are no longer showing up or logging into Canvas should be withdrawn from your class roster. To withdraw students, select Rosters/Grading under the Faculty sidebar menu in the Hub. For each class roster, simply enter the student's Last Date of Attendance and click submit. To verify the students who are still attending your class, please follow the midterm verification process below.

Software Requests

A faculty member interested in implementing new software in the classroom should submit a Software Request Form (S:\Campus Forms\ISS Request Forms) to ISS.

Teaching Materials

Instructors interested in obtaining the teacher's edition of a particular textbook should contact the division chair, division administrative assistant, or the <u>Laker Nest bookstore</u> for information on how to obtain the teacher's edition. Some textbook publishers offer sample tests, published overheads, and case studies as supplemental materials. Instructors interested in obtaining any of these materials should contact their division chairs.

Per board policy 06.38, course materials may be changed every three years. The Laker Nest bookstore has established processes that must be followed when requesting new course material or removing a course material (i.e. moving to an OER) and when a new course is approved by ICCB. This process is done every year with a deadline of April 1 each year; the only exception to this deadline is for new courses approved by ICCB after the deadline. Any other late requests must have the approval of the division chair, Vice President, and Manager of the Bookstore and Textbook Rentals.

Around January or early February, the Bookstore will send division chairs a list of all course materials that are eligible to be updated. The new course request process can be done anytime throughout the year as long as the April 1 deadline is met.

*Lab manual and note set updated files are due to the bookstore by July 1 each year for Fall courses; November 1 for Spring courses. This is only referring to items printed in the print shop on campus and only has a file update. All other course materials MUST follow the April 1 deadline.

STUDENT INFORMATION

Academic Probation

Any student whose cumulative grade point average falls below the minimum acceptable standards to remain in good academic standing after 12 semester hours will be placed on academic probation. Refer to Academic Standards & Policies and the Catalog for more information on academic probation, suspension, and dismissal policies.

Accident/Incident Report

In the event an accident/incident occurs to an employee, student, or visitor at any Lake Land College facility, an incident report must be completed. The college does not assume responsibility for expenses upon completion of this form. The Accident/Incident Report form is found in (S:\EMERGENCY\Incident Report) or by Health_Beauty Services (234-5276).

Adding/Dropping/Withdrawing from Courses

Students may add courses to their schedule through the first two instructional days of the semester or module. Classes less than a module in length must be added before the first day of class. Students may add an evening class before the second class. To add a course, degree-seeking students may either use the Navigate system or submit a completed Change of Schedule form to Admissions and Records. Non-degree seeking students must call Admissions and Records to add courses.

Student Drop: Nothing on transcript; student not billed for course

Student Withdrawal: 'W' on transcript; student billed for course 'W' on transcript; student billed for course 'W' on transcript; student billed for course

Students have through the first 10 instructional days of the semester to drop a course meeting 12 weeks or longer, with no notation on their academic transcript, and receive a refund. For courses meeting less than 12 weeks, but at least a module in length, students have through the first five instructional days to drop the course, with no notation on their academic transcript, and receive a refund. For courses meeting less than a module in length, students have until the first official meeting of the class to drop the course, with no notation on their academic transcript, and receive a refund. To drop a course, students may either use the Navigate system, complete a Change of Schedule form in Admissions and Records, or call Admissions and Records for assistance. Refer to Academic Standards & Policies and the Catalog for additional information.

It is highly beneficial for students to seek advice from the instructor and/or counselor when considering withdrawal from a course. For classes meeting eight weeks or longer, students can withdraw up to four instructional days before the first day of the final exam period and receive a "W" on their academic transcript. For classes meeting less than eight weeks in length, students may withdraw before the date of the last class session and receive a grade of "W" on their academic transcript. Students who do not officially withdraw may receive an "F" grade on their academic transcript. Once students take the final exam, they cannot withdraw from that course.

See also Tenth Day Drop Requirements.

Audit Request Form

To audit a course, a student must pay the same tuition and fees as if the course were being taken for credit. The student must submit an Audit Form (S:\Campus Forms\Student Services) to Admissions and Records before enrolling in the course. The form is also available online at Lakelandcollege.edu/admissions/audit-request/. [Board Policy 06.21]

Behavioral Intervention Team

Lake Land College is concerned about the welfare and safety of its students, faculty, and staff and is devoted to creating an environment in which individuals can work without disruptions. Behavioral Interventions are essential for providing support to those students who display challenging behaviors. While interacting with students across the college, staff may be confronted with situations in which a student displays concerning behaviors, makes concerning comments, is disruptive to the campus environment, or creates an environment that may be intimidating or threatening to others. The Behavioral Intervention/Violence Prevention Plan and BIT are designed to assist them. For additional information, please contact Heather Nohren, Chair of Counseling & Student Conduct at 217-234-5256 or hnohren@lakelandcollege.edu.

Course Evaluations

Per Article VI.B. and C. of the Collective Bargaining Agreement, non-tenured faculty must distribute student evaluation forms to all classes each semester, and tenured faculty are encouraged to do the same. While there are copies of the student evaluation forms in the appendix, faculty may also elect to distribute course evaluations electronically, per the instructions below. Electronic evaluations typically run from two weeks before the final exam through the last class day prior to the final. Students receive automated email reminders until the evaluation is completed. Faculty may access evaluation results the day after grades are due.

Student course evaluations are now being conducted in the HelioCampus software platform rather than in the old IRIS system. HelioCampus uses the term "survey," so please note that for the purpose of these instructions, survey and evaluation are synonymous.

Course evaluation surveys are accessible for a two-week period, commencing two weeks prior to the final

instructional day. The survey period concludes at 11:59 PM on the last day of scheduled classes, preceding final examinations and grade submission deadlines, as specified in the official academic calendar.

How It Works:

 Full-time faculty members may "opt-in" to the digital evaluations option by completing this form linked at https://forms.office.com/r/ZmDA7As063.

The link may also be accessed in the Hub under the Faculty sidebar menu (shown at right). This opt-in option is only available to full-time faculty members. Please aim to complete this form at the beginning of each term or as soon as possible after the start.

(2) Faculty will receive an email from Lake Land Assessment (<u>learning_outcomes@lakelandcollege.edu</u>) notifying them that course evaluations are available to students, as shown below:

Rosters/Grading

From: Lake Land Assessment < Learning Outcomes@lakelandcollege.edu >

Sent:

To: Lisa Cole < !cole@lakelandcollege.edu">!cole@lakelandcollege.edu

Subject: Course Evaluation is Available!

EXTERNAL EMAIL]: This email did not originate from the Lake Land College email system. Please use caution when opening attachments and clicking on links, scanning QR codes, or responding to requests.

Dear Lisa Cole,

Course evaluations will begin on April 28, 2025.

The course evaluations for INS-299-XXXXX will be available April 28, 2025 until May 13, 2025. Results will be available on May 20, 2025, on the following website: {{ur}}. If you have any questions or concerns, please do not hesitate to contact me at eramage@lakelandcollege.edu.

Thank You!

Emily Ramage, Dean of Academic Operations

(3) Students will receive an email from the same address notifying them that course evaluations are now available to complete, along with a hyperlink to access the evaluation form, as shown on the next page:

From: Lake Land Assessment < Learning Outcomes@lakelandcollege.edu>

Sent:

To: Lisa Cole < !cole@lakelandcollege.edu Subject: Course Evaluation is Available!

[EXTERNAL EMAIL]: This email did not originate from the Lake Land College email system. Please use caution when opening attachments and clicking on links, scanning OR codes, or responding to requests.

Dear Lisa Cole.

A course evaluation for your Spring 2025 course:

INS 299 56737: INSTDY Creative Play TEST

is now available until 05-13-2025. Your participation in the course evaluation is completely anonymous, and the survey results will not be available to the instructor until final grades have been posted for the semester. Please take a few minutes to provide your feedback on the course

To submit your course evaluation, please visit the following website: https://lakelandcollege.heliocampus.net/index.cfm/page/AefisDashboard.home?action=openSurveyForm.

Please note: Course evaluations are required for non-tenured and adjunct faculty, but course evaluations are optional for full-time tenured faculty.

If you have any questions or concerns, please do not hesitate to contact me at eramage@lakelandcollege.edu.

Thank You!

Emily Ramage, Dean of Academic Operations

Students must use their Laker Hub login credentials to access the evaluations.

- (4) Students will receive reminder emails every other day during the survey period until either the evaluation is completed or the survey period ends.
- (5) After the survey period has ended, faculty will also receive an email from the same address notifying them that course evaluation results are available to them, along with a hyperlink to access those results, as shown below:

From: Lake Land Assessment < Learning Outcomes@lakelandcollege.edu >

Sent:

To: Lisa Cole < !cole@lakelandcollege.edu Subject: Course Evaluation is Available!

EXTERNAL EMAIL]: This email did not originate from the Lake Land College email system. Please use caution when opening attachments and clicking on links, scanning QR codes, or responding to requests.

Dear Lisa Cole,

The course evaluation submission period for Spring 2025 courses ended as of May 13, 2025. To view the results for INS-299-XXXX, please visit the following website:{{url}}. If you have any questions or concerns, please do not hesitate to contact me at eramage@lakelandcollege.edu.

Thank You!

Emily Ramage, Dean of Academic Operations

Course Proficiency

If reasonable evidence exists that a student possesses academic proficiency in a subject area, the student may request to take a proficiency examination. Proficiency examinations are limited to those courses recommended by the division chair and approved by the Vice President for Academic Services. Students must complete an Academic Request and have it approved by the course instructor, the student's advisor, and the division chair of the subject area in which the course is offered. An evaluation fee of \$30 per credit hour is required and must be paid in advance. Once the examination is completed, a grade is assigned, and the credit earned is posted to the

student's transcript during final exam week. Tuition and fees are assessed for credit earned by proficiency examination. No official record is made of failures. Refer to the *Catalog* for more information.

Course Substitution Form

Occasionally, students may need to substitute one course in their major area for another course required in their degree program. As an example, a business student might substitute an advertising class for a salesmanship course. This process is initiated with the Course Substitution form, which can be obtained online (S:\Student Services\Course Substitution form.xls) or in the Admissions & Records office. The advisor, division chair, and student records analyst sign the form, and it is returned to the Admissions & Records office.

Final Examination Period

Board Policy 06.48—Final Examinations states:

It is recognized by the college that a final examination is an important part of the educational process; therefore, instructors are expected to provide students with some form of final examination. Students are required to complete their final examinations at the times and places scheduled. Rescheduling of final examinations is not permitted without the permission of the Vice President for Academic Services. Each class must meet at the time the final examination is scheduled.

Financial Aid

Information regarding financial aid can be obtained from <u>Financial Aid and Veteran Services</u>. Students should apply for financial aid at least 8-10 weeks before the start of the semester. Everyone, yes everyone, applying for financial aid must complete the <u>Free Application for Federal Student Aid</u> (FAFSA) each academic year.

Grade Appeal

Students concerned about the final grade they received in a course must initiate a grade appeal, utilizing the Student Complaint form, no later than the end of the sixth week following the close of the semester for which the assigned grade was recorded. This request must be initiated with the course instructor or the division chair if the instructor is not currently teaching at the college. [Board Policy 07.27]

Grade Correction

Should a grade calculation error come to an instructor's attention after grades have been submitted, a Grade Correction form (S:\Campus Forms\Student Services\Grade Correction) should be completed by the instructor. The instructor must provide a reason for the grade change, and the form must be signed by the instructor, the appropriate division chair, and the Vice President for Academic Services.

Independent Study Courses

Students may pursue supervised study for one to four semester hours on an independent basis for academic work that reflects a reasonable and moderate extension of current Lake Land College courses. Students are permitted to enroll in independent study with permission of the instructor and approval of the division chair and the Vice President for Academic Services. Each degree limits the amount of independent study credit that will apply. With approvals in place, a section number is assigned, the student is placed in the independent study, and then given 10 days to drop the section by contacting the Academic Services Specialist. The INS-299 Independent Study Contract forms are available on the S drive (S:\Campus Forms\Academics\Course Outlines\INS) [Board Policy 06.23]

Incomplete Grade Change

If a student is issued an incomplete grade, the student is allowed to complete the requirements for the course during the next regular term, excluding summer. The instructor submits the student's earned grade using the Incomplete Grade Change form (S:\Campus Forms\Student Services\request incomplete) and submits it to Admissions and Records by the mid-term date for that term. Any "I" grade remaining after the mid-term date will automatically be changed to an "F" grade.

According to <u>Board Policy 07.17.01</u>, "The student and the instructor must complete and submit a Request to Obtain an Incomplete form to the instructor's Division Chair with final submission to the Admissions and Records Office no later than the grade-due date of the term." The Request to Obtain an Incomplete form is located on the S drive (S:/Campus Forms/Student Forms/Forms Related to Grades & Courses/Request to Obtain Incomplete).

Intent to Enroll

Individuals may submit the Intent to Enroll online at lakelandcollege.edu/enroll/ or in person in Admissions and Records. Refer to the link above or the Catalog for complete details on how to create a Laker Profile and submit the Intent to Enroll. [Board Policy 07.04]

Intent to Graduate

A student must complete the Notice of Intent to Graduate form by the published date in order to graduate during that specific term. Forms are distributed by and submitted to Admissions and Records, or students can complete the form via the Hub. [Board Policy 07.24]

LEAP (Lake Land Early Advantage Program)

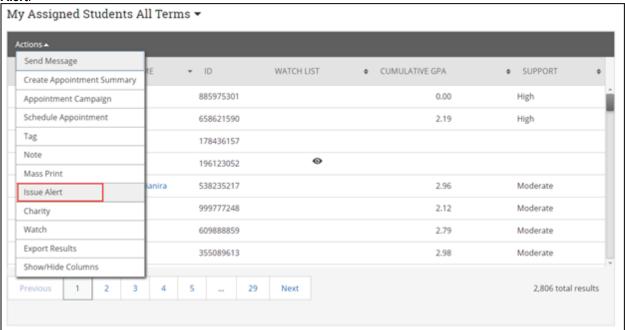

The Lake Land College Early Advantage Program (LEAP) provides collaboration between student services departments and faculty members to ensure students are aware of the support services provided on campus and in the community. Through the Lake Land College Early Advantage Program, students are provided with immediate contact information via their student email account. The information identifies services on campus that might be beneficial to achieving success in the course. Issue an ad hoc alert in Navigate via the instructions below:

There are several locations to issue ad hoc alerts in Navigate. They include the **Staff Home** or **Professor Home** pages, in **Advanced Search** results, or from a student profile.

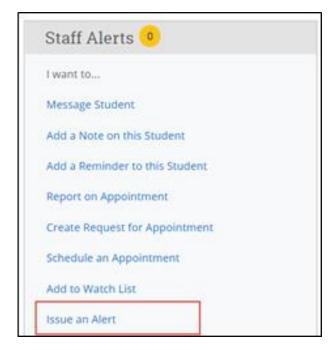

To issue an alert from **Staff Home** or **Professor Home**, select **Issue an Alert** from the **Actions** pane. A dialog then prompts you to search for the student you want to issue the alert for, as in the following screenshot.

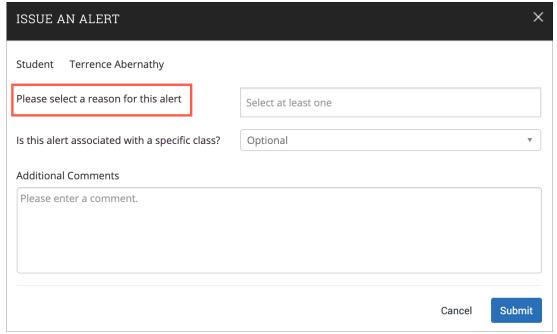

To issue an alert from a list of students, such as **Advanced Search** results or your **Students in My Courses** or **My Assigned Students** pane on your home page, select a student from the list. Next, select **Actions > Issue Alert**.

To issue an alert from a student profile, select **Issue an Alert** from the **Action** pane as in the following screenshot.

Selecting **Issue an Alert** opens the **Alerts** dialog. Text boxes in the dialog are in the list that follows the screenshot.

- Alert Reason: There are 10 possible alert reasons, and you can pick more than one: Attendance Issue, Financial Concern, Grade Concern, Mental Health Concern, Personal Challenge/Concern, Referral to Career Services, Referral to Perkins Program, Student Accommodations Needed, TRIO Referral, and Tutoring or Study Skills Recommended. Some alert reasons will trigger an email to go out to the student, while some don't. Some alert reasons will open a case for a staff member to take action on, whereas some will not. These details pop up once you select the Alert Reason.
- Association with Specific Course (Optional): Select a course from the list if the alert is associated with a specific course the student is currently enrolled in.
- Additional Comments: Enter comments in this box. Staff and faculty with permission can view the alert and its comments, but not students. There is no character limit to this field.

Important. Any information you enter into Navigate about a student becomes part of their official student record. It may be subpoenaed by the student as outlined in the Family Education Rights and Privacy Act (FERPA), so please carefully consider what information you include in your referral.

Permission to Enter a Closed Class

When a student wants to enter a class that is closed, he/she must request a "Blue Card" from the division chair. Blue Cards are reserved for special situations.

Program of Study Change

Students are assigned the program of study/major they indicated on their Intent to Enroll. If a student wants to change their major and has not yet enrolled, then the student should contact Admissions and Records. If the student has enrolled, the student should complete a Change of Major form online or via their Laker Hub account.

Refund Policy

Refunds are approved when a student drops his/her course(s) within the college's published refund period (lakelandcollege.edu/refunds/). Refund deadlines are also included in the class schedule and the Catalog.

Repeat Course Notification

Students may repeat courses not designated as repeatable and taken at Lake Land College with the understanding that the last credit hours and grades earned will be computed in the student's grade point average. Additional information is available online at lakelandcollege.edu/admissions/repeat-course-notification/. This form is also available in Admissions and Records and on the S: drive. (S:\Campus Forms\Student Services).

Student Accommodations

Students with a documented disability and verification from <u>Student Accommodations</u> should contact instructors as soon as possible. It is the student's responsibility to provide documentation of any disability, to meet with Counselor/Coordinator of Student Accommodations, and to request special accommodations *before* classes start. For additional information, please contact Ellie Haskett, Counselor of Student Accommodations & Mental Health Initiatives at 234-5259 or at ehaskett@lakelandcollege.edu.

Students are provided academic accommodations indicated per Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA). Disabilities may include visual, auditory, speech, psychological, physical, health, or learning. Documentation to verify this request is on file in the Office of Student Accommodations. Please note that it is the student's responsibility to discuss these accommodations with you as necessary. Should you have students with registered accommodations in your course, you will be asked by the department to provide student progress information for compliance with Section 504.

Accommodations and TRIO verification rosters may be obtained from the Laker Hub under Faculty>Rosters/Grading.

Student Complaints

Per <u>Board Policy 07.29 – Student Complaints</u>, Lake Land College seeks to resolve all student complaints as quickly and at the lowest step possible. Procedures are outlined on the <u>website</u> and in the Student Handbook.

Tenth Day Drop Requirements

Dropping Inactive Students by 5th/10th Day: Why It Matters

WHO

Faculty expectation to drop students (Article II.H.2) from roster.

WHEN

5th or 10th day, depending on the course type and term.

Course Length	Deadline to Drop
12 weeks or longer	Within the first 10 instructional days of the semester
8-11 weeks	Within the first five instructional days of the semester/module
3-7 weeks	During the first instructional day of the course

HOW

Self-Service in the Laker Hub.

WHY

The U.S. Department of Education mandates that students who receive Title IV financial aid must commence attendance in each of their courses prior to applying for Pell grants and student loans. This regulation, often called the "butt in seat" requirement, carries significant implications for our students and our institution. To ensure compliance with this requirement, it is imperative that faculty accurately confirm student attendance for the 10th-day roster.

Article II. H. 2. of the LLCFA's collective bargaining agreement underscores the contractual obligation of faculty to verify and report the 10th-day roster. This action supports College compliance with Department of Education regulations. This responsibility, though not contractual, also extends to our adjunct faculty members.

Failure to adhere to these guidelines can result in severe consequences for both the student and the College.

WHAT

Title 34 in the Federal Code of Regulations, 34 CFR Part 600 Subpart A, Office of Postsecondary Education, U.S. Department of Education https://www.ecfr.gov/current/title-34/part-600/subpart-A

According to 34 CFR Part 600.2 (Definitions), "active participation by a student in an instructional activity related to the student's course of study that—

- (1) Is defined by the institution in accordance with any applicable requirements of its State or accrediting agency;
- (2) Includes, but is not limited to—
 - (i) Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the instructor and students;
 - (ii) Submitting an academic assignment;
 - (iii) Taking an assessment or an exam;
 - (iv) Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
 - (v) Participating in a study group, group project, or an online discussion that is assigned by the institution; or
 - (vi) Interacting with an instructor about academic matters; and
- (3) Does **not** include, for example—
 - (i) Living in institutional housing;
 - (ii) Participating in the institution's meal plan:
 - (iii) Logging into an online class or tutorial without any further participation; or
 - (iv) Participating in academic counseling or advisement."

Please note that logging into an online course or tutorial does NOT qualify as active participation/engagement in a course.

The Lake Land College Financial Aid Office has established procedures to ensure that students begin attendance in each course and are eligible for federal financial aid. This process relies on faculty to verify attendance and academic engagement, and to drop students who do not attend or actively participate within the designated drop period. During this period, credit hours are not finalized, meaning students are not charged for the course, and the corresponding credits are excluded from the student's financial aid credit hours. After the drop period, students with financial aid credits are assumed to have attended and/or academically engaged, thus qualifying for a financial aid disbursement.

A&Q

What's the difference between dropping a student and withdrawing a student?

Dropping a student takes place on or before the 5th/10th day deadline and results in the course being removed from the student's academic record completely without cost.

Withdrawing a student takes place <u>after</u> the 5th/10th day deadline and results in a W for the course on the student's transcript; students are charged for the course, whether financial aid pays for it or not, and the W counts toward the student's financial aid credit hour limit.

What does "actively engaged" in Canvas mean?

See section What above.

Isn't it the student's responsibility to make sure they aren't charged for a class they didn't take?

Yes, however, students may encounter circumstances that make it challenging or prevent them from fulfilling their responsibility to drop classes before incurring charges. Below is a real, albeit extreme, example that occurred at the College:

A few years ago in the fall, we had a student enrolled full-time who was issued refunds totaling almost \$2,800 for Pell and student loans. The student was also issued a \$500 CARES emergency grant. All of these funds were issued via direct deposit to their account. We then received notice from the Admissions Office in late November that the student was deceased in early August, which meant that they never began enrollment at Lake Land in any fall courses. We had to return all of the funds to the federal programs and could not recoup any money issued to the student. The College had to write off the \$2,800 refunded to them, as well as the \$500 in CARES funds.

The failure to drop the student who never showed up for class or were actively engaged in Canvas ultimately cost the College \$3,300. When cases such as this are missed, similar hidden costs could find the College with U.S. DOE audit compliance issues resulting in the significant loss of funds to our students. In fall of 2024, over 57% of the Laker student population received some sort of federal financial aid. Many of those students are first-generation and need a significant amount of support to navigate higher education, and the likelihood students will return to Lake Land College after receiving a bill for courses they didn't take diminishes substantially.

What are the consequences for non-compliance?

Non-compliance with the Department of Education's financial aid regulations could result in the loss in the College's ability to provide financial aid to our students.

The College incurs financial liability in most cases of non-compliance as outlined above.

Our students may incur inordinately large bills from non-compliance resulting in their inability to continue their education at the College or leave unpaid debt to the College directly.

Tutoring

The <u>Student Success Center</u> offers tutoring for college courses, administration of the college placement test, proctoring services for tests and quizzes in online courses that require testing in a proctored environment, administration of pre-nursing exams and testing for various programs, Pearson VUE testing, CLEP testing, distance learning test proctoring, supplemental services for students with disabilities, and basic skills courses in test taking, memory, and computer anxiety.
