

Greenville University - Lake Land College Associate of Arts Degree--Psychology Transfer Program Guide - Psychology, B.S. (Online and Traditional)

Completion of an Associate in Arts or Science degree at Lake Land College fulfills Greenville University's lower division general education requirements. Upon acceptance, students will need to fulfill program and university requirements at Greenville.

This "Transfer Program Guide" is an <u>example</u> of a proposed curriculum for students to use while completing their associate degree. Reading, writing and math placement could alter the course sequencing and transfer date. Therefore, students should begin sequencing their reading/writing (if applicable), math and science courses during the first semester, paying close attention to prerequisites. Students have the option of taking summer classes to lessen fall and spring course loads.

It is highly recommended that students meet with a LLC advisor each semester.

First Semester

△ Psychology electives. GU's similar course of PSY 277
Social Psychology is to be taken at GU to meet the major requirement due to the content and upper division course requirements. Therefore, this course should not be taken at LLC or credits will be lost.

[‡] Physical or Life Science could be 3 or 4 credits as long as one is a lab science.

^{**} Up to 17 additional credits may be transferred with 30 cr maximum for vocational/tech and Prior Learning Assessment. See GU advisor and catalog.
